[65 FR 20372, Apr. 17, 2000, as amended at 66 FR 41783, Aug. 9, 2001]

§ 326.6 Policies for processing requests for records.

(a) An individual's written request for access to records about himself which does not specify the Act under which the request is made will be processed under both the Freedom of Information Act (FOIA) and the Privacy Act and the applicable regulations. Such requests will be processed under both Acts regardless of whether the requester cites one Act, both, or neither in the request in order to ensure the maximum possible disclosure to the requester. Individuals may not be denied access to a record pertaining to themselves merely because those records are exempt from disclosure under the FOIA.

(b) A Privacy Act request that neither specifies the system(s) of records to be searched nor identifies the substantive nature of the information sought will be processed by searching the systems of records categorized as Environmental Health, Safety and Fitness, FOIA/Privacy, General, and Security.

(c) A Privacy Act request that does not designate the system(s) of records to be searched but does identify the substantive nature of the information sought will be processed by searching those systems of records likely to have information similar to that sought by the requester.

(d) The NRO will not disclose any record to any person or government agency except by written request or

prior written consent of the subject of the record unless the disclosure is required by law or is within the exceptions of the Privacy Act. If a requester authorizes another individual to obtain the requested records on his behalf, the requester shall provide a written, signed, notarized statement appointing that individual as his representative and certifying that the individual appointed may have access to the requester's records and that such access shall not constitute an invasion of his privacy nor a violation of his rights under the Privacy Act. In lieu of a notarized statement, the NRO will accept a declaration in accordance with 28 U.S.C. 1746.

(e) Upon receipt of a written request, the Privacy Act Coordinator (PA Coordinator) will release to the requester those records which are releasable and applicable to the individual making the request. Records about individuals include data stored electronically or in electronic media. Documentary material qualifies as a record if the record is maintained in a system of records.

(f) Initial availability, potential for release, and cost determination will usually be made within ten working days of the date on which a written request for any identifiable record is received by the NRO (and acknowledgement is sent to the individual). If additional time is needed due to unusual circumstances, a written notification of the delay will be forwarded to the requester within the ten working day period. This notification will briefly explain the circumstances for the delay and indicate the anticipated date for a substantive response.

(g) All requests will be handled in the order received on a 'first-in, first-out' basis. Requests will be considered for expedited processing only if the NRO determines that there is a genuine health, humanitarian, or due process reason involving possible deprivation of life or liberty which creates an exceptional and urgent need, that there is no alternative forum for the records sought, and that substantive records relevant to the stated needs may exist and be releasable.

(h) Records provided or originated by another agency or containing other

agency information will not be released prior to coordination with the other agency involved.

(i) Requesting or obtaining access to records under false pretenses is a violation of the Privacy Act and is subject to criminal penalties.

§ 326.7 Procedures for collection.

(a) To the maximum extent practical, personal information about an individual will be obtained directly from that individual.

(b) Whenever an individual is asked to provide personal information, including Social Security Number (SSN) or a personal identifier, about himself, a Privacy Act Statement will be furnished that will advise him of the authority (whether by statute or by Executive Order) under which the information is requested, whether disclosure of the information is voluntary or mandatory, the purposes for which it is requested, the uses to which it will be put, and the consequences of not providing the information.

(c) When asking third parties to provide information about other individuals, NRO employees will advise them:

- (1) Of the purpose of the request, and
- (2) That their identities and the information they are furnishing may be released to the individual unless they expressly request confidentiality. All persons interviewed must be informed of their rights and offered confidentiality.

§ 326.8 Procedures for requesting access.

(a) *Request in writing.* An individual seeking notification of whether a system of records contains a record pertaining to him, or an individual seeking access to records pertaining to him which are available under the Privacy Act, shall address the request in writing to the Privacy Act Coordinator, National Reconnaissance Office, 14675 Lee Road, Chantilly, VA 20151-1715. The request should contain at least the following information:

(1) *Identification.* Reasonable identification, including first name, middle name or initial, surname, any aliases or nicknames, Social Security Number, and return address of the individual concerned, accompanied by a signed

notarized statement that such information is true under penalty of perjury and swearing to or affirming his identity. An unsworn declaration, under 28 U.S.C. 1746, also is acceptable. In the case of a request for records of a sensitive nature if the PA Coordinator determines that this information does not sufficiently identify the individual, the PA Coordinator may request additional identification or clarification of information submitted by the individual.

(i) In addition, an alien lawfully admitted for permanent residence shall provide his Alien Registration Number and the date that status was acquired.

(ii) The parent or guardian of a minor or of a person judicially determined to be incompetent, or an attorney retained to represent an individual, in addition to establishing the identity of the minor or person represented as required in this part, shall provide evidence of his own identity as required in this part and evidence of such parentage, guardianship, or representation by submitting a certified copy of the minor's birth certificate, the court order establishing such guardianship, or the representation agreement which establishes the relationship.

(2) *Cost.* A statement of willingness to pay reproduction costs. Processing of requests and administrative appeals from individuals who owe outstanding fees will be held in abeyance until such fees are paid.

(3) *Record sought.* A description, to the best of his ability, of the nature of the record sought and the system in which it is thought to be included. In lieu of this, a requester may simply describe why and under what circumstances he believes that the NRO maintains responsive records; the NRO will undertake the appropriate searches.

(b) *Access on behalf of the individual.* If the requester wishes another person to obtain the records on his behalf, the requester will furnish a notarized statement or unsworn declaration appointing that person as his representative, authorizing him access to the record, and affirming that access will not constitute an invasion of the requester's privacy or a violation of his rights
